## Our Mission Statement

**Holmes Presbyterian Camp and Conference Center:**

**A welcoming Christian Community responding to God's call where lives change and faith grows in a natural setting.**

Our summer program develops self-esteem and self-confidence by encouraging each camper to:

- Engage in Bible study and verbally demonstrate an understanding of Christian community.
- Demonstrate respect for self, authority and the rights and property of others.
- Develop responsibility through group living tasks.
- Form an interest in exploring and enjoying the natural environment.
- Express creativity through crafts, problem solving, worship and personal interactions

## Accreditation

To further assure parents that their children will enjoy a fun, safe, meaningful experience, Holmes Presbyterian Camp and Conference Center has voluntarily submitted to the accreditation process of the American Camp Association. This organization is the only nationally recognized group governing youth camping professionals. Having this accreditation means we have met the highest standards in the quality of camp health, safety, programming, personnel and administration. Holmes Executive Director Rev. Peter Surgenor has just completed a three year term as President of the American Camp Association.

In addition our camp and staff are very active in the Presbyterian Church Camp and Conference Association (PCCCA).

Holmes Presbyterian Camp and Conference Center conducts summer camp with a permit issued by Putnam County according to New York State Health Department regulations for Children's Summer Camps. The County Health Department regularly visits Holmes Presbyterian Camp during the summer to ensure compliance with these regulations.
